25-72	18 SEP - 25 SEP	70	975	15	FORMERLY TY FLOSSIE
31-72	16 NOV - 23 NOV	90	983	4	-----

<sup>1</sup>Tropical cyclones in the Bay of Bengal are numbered consecutively from the beginning of the calendar year and are included with those developing in the South Pacific and Indian oceans. The JTWC area of responsibility in the Bay of Bengal was expanded on 4 June 1971 to include the area north of the equator between the Malay Peninsula and 90°E. Only those cyclones that developed or tracked through this area are included in Annex B.
